***Disclaimer by Assignee***

Assignee, Qualcomm Incorporated ("Assignee"), hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,292,662, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that such patent so granted on the above-identified application and U.S. Patent No. 6,292,662 are commonly owned. This agreement extends to any patent granted on the above-identified application and shall be binding on Assignee, its successors, or assigns.

Assignee does not disclaim the terminal part of any patent granted on the above-identified application prior to the earlier of (i) the expiration date of the full statutory term of U.S. Patent No. 6,292,662 and (ii) the expiration date of the full statutory term of any patent issuing from the above-identified application, in the event that either one later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or is terminally disclaimed
